

Hawkeye Herman Live DVD Released

Quad Cities native Blues musician and educator Michael "Hawkeye" Herman has just released a new live DVD. "Hawkeye Live In Concert", released in April, 2007, is a two-hour DVD that consists of two dynamic 55 minute concerts filmed in 2005 and 2006 in Rockford, IL. Also included is a ten minute documentary filmed by the Quad Cities' WQPT about BBC-Radio London requesting that Hawkeye compose a hurricane blues song ("Katrina, Oh Katrina") for their nightly newscast. The song was aired on the BBC's most popular news program, "BBC Today," and was heard by over 7 million people in the UK.

The DVD is available via Hawkeye's web site: <http://www.HawkeyeHerman.com>.

You can see/hear 11 of the songs on the new Hawkeye DVD for free at:
